As a part of the national roll-out eight training batches were approved, of which six have been successfully conducted so far. The National Institute for Smart Government (NISG) is the executing agency for organizing these programmes.

The eGCP is a four week programme for officers of the Central and State Government Departments involved in the respective mission mode projects. The training is scheduled to be held at Hyderabad and includes a one week domestic field study followed by one week of International training for study of international best practices.
