e-Governance Champions Programme

About the CIO Programme: As part of its Capacity Building efforts for accelerating the implementation of the National e-Governance Plan (NeGP), the Department of Information Technology (DeitY) has taken a number of initiatives for specialized training of the officers of the Central and State Governments. The CIO's Programme is one such initiative. Two CIO Pilot programmes have been conducted and have been highly appreciated.

The Objective of the Programme: To train selected officers from within Line Ministries/Departments (both at the Centre and States), who are leading or identified to lead MMPs under the NeGP or other e-Governance projects and help them understand implementation from the very basic elements to complex issues pertaining to e-Governance project execution.

Likely outcome of the Programme: A talent pool of e-Governance Champions who can lead or support as the second-in-command role in e-Governance projects across the country.

Participant Profile :

- Officers at the Centre/State/UT in the cadre of Director, Additional Director, Joint Director and equivalent with 8-10 years' experience in Government Sector.
- Preference shall be given to nodal officers working/identified to work on the Health Mission Mode Project (MMP) of Ministry of Health and Family Welfare for this batch.
