<b>Information Sought :</b>	Para 1 to 3 of the RTI application is hereby transferred under section 6(3) of the RTI Act, 2005 to provide relevant information directly to the applicant.		
<b>Original RTI Text :</b>	<p>This RTI is related to the Recruitment Rules for the post of Director-General of Semi Conductor Laboratory which have been approved and published by MeitY .</p> <p>1) Who is the approving authority for Recruitment Rules for the post of DG-SCL?</p> <p>2) Please provide a copy of the approval for the said RRs for DG-SCL post taken from ACC or Cabinet or any approving authority?</p> <p>3) A peculiar change has been made in the RRs for the director level post is that qualifications have been amended</p>		

to include - Chemical stream . However, VLSI Microelectronics is strongly electronics-oriented. Please provide a copy of the approval which leads to the addition in the qualification criterion. Please supply the name of the authority who suggested this modification.

4) Is the modification mentioned to RR as mentioned in para 3 , solely for the purpose of benefitting Sh Vikas Trikha (whose qualification is Chemical stream) who is also the acting-director of SCL at the moment? Is such benefit to one single person permitted under the policies of the Government of India?

5) The earlier RTI no DITEC/R/E/22/01255 which brings out the favours being given to one particular person- Mr Vikas Trikha in SCL and causing unjustifiable harm to the career of other person -Sh Paritosh Jain , has also not been replied in the true spirit of RTI .

6) The modification of RR in favour of Sh Vikas Trikha, at the same time when Sh VIKas Trikha is at the post of SCL Director is a burning example of the callousness and dishonest policy of the MeitY. Is there any personal relationship between MeitY authorities and Sh Vikas Trikha?

7) Lastly, it is also informed that one Sh Sanjeev Narang (Pay Level 15, Govt of India) is also posted to Semi Conductor Laboratory and who is also an Electronics Engineer. But still MeitY has alloted the acting director post to SH Vikas Trikha and not to anyone like Sh Sanjeev Narang (who is 1 level senior to VIKas Trikha) or Paritosh Jain (who is also Level 14). Please reply if such favour to Sh VIKas Trikha by MeitY is under any policy approved by Govt of India?

8) Has SCL or Sh Vikas Trikha suggested the changes in the Recruitment Rules to MeitY with respect to addition of Chemical Stream in qualifications?
