No.112-42/04-Comml.

Dated 3rd July, 2008

Circular

Subject: Implementation of decisions taken by Working Group on BSNL Connectivity Issues (WGBCI) for SWAN Project- regarding.

Instructions on tariff, discount and provisioning of bandwidth by BSNL for State Wide Area Network (SWAN) were circulated vide this office letters of even no. dated 20th Jan.,2005, 13th May,2005 and 29th Jan.,2007.

2. Now, based on the recommendations made by Working Group on BSNL connectivity issues (WGBCI), the competent authority has decided as under:

2.1 **Discount of higher bandwidth:** The following discount will be offered for bulk leased lines for SWAN and shall be applicable on the main channel only:

Bandwidth	Discount
2 and 8 Mbps	45%
34 and 45 Mbps	50%
155 Mbps and above	55%

In addition to the above, the following has also been decided:

a) BSNL is already offering a discount of 74% on one 2 Mbps main link up to the BHQ. This bandwidth will continue to be charged at this discount of 74%. However, all other 2 Mbps links will be offered at the discounted rate mentioned in para 2.1 above.

b) The above discount will be offered on the present rates of leased lines issued vide this office Circular No.4-3/2005-R&C dated 11th May,2005. In case of any change in the tariff for leased lines, these discounts will have to be reviewed.

2.2 **SLA on non-MLLN circuits:** There is no monitoring mechanism available for establishing time of occurrence of fault and clearance of the same. Therefore, it may not be possible for BSNL to offer SLA on non-MLLN circuits and only Letter of Confidence (LoC) can be offered.

2.3 Usage of network: In view of the decision taken by the Government that G2G and G2C services would be part of the services rendered through SWAN, it has been decided to allow G2G and G2C services on SWAN networks of State Governments without levying any charges for G2C services.

2.4 Provision of End Equipment for termination: State Government may arrange their own modems /NTUs conforming to Telecom Engineering Centre (TEC) specifications issued vide GR NoGR/DCA-14/03-JAN 05 for 2048 Kbps High Speed Line Drivers.
