INUP-i2i Users' Workshop IIT Delhi

3rd November
2024

Indian Nanoelectronics Users' Programme is a flagship program supported by the Ministry of Electronics and Information Technology (MeitY) at IIT Delhi. This Program includes familiarization workshop, hands-on training workshop, innovative nanotechnology projects, support for start-up & incubation, prototype and encouraging/supporting faculty of other Institutes through collaboration & mentoring Programme. Join us to celebrate INUP-i2i IIT Delhi success during the INUP Users' Workshop at IIT Delhi on 3rd November 2024. The aim of this event is to bring together INUP-i2i IIT Delhi users to share knowledge, and explore innovative applications in the field of nanoelectronics. Present your research work in the form of oral/poster presentation. This is an excellent opportunity to showcase your research, share insights, and gain feedback from peers and expert in the field.
