

Graphic Designer

MyGov is the citizen engagement platform of the Government of India. It is an Independent Business Division under Digital India Corporation, a Section 8 company under the Ministry of Electronics & Information Technology. Details about MyGov can be seen at <https://MyGov.in>

MyGov is looking for Graphic Designer who has knowledge of Adobe Illustrator, Adobe in Design, Adobe after Effects, Adobe Photoshop, etc.

An ideal candidate should have experience in infographic and banner design, brochure and print knowledge, GIF creation, and micro-site design. Experience in motion graphics and video editing would be an added advantage.

You will be under probation for the first 3 months from the date of joining. It is not mandatory for MyGov to absorb you or offer you a regular contract after the completion of the probation period. The period of probation can be reduced or increased by MyGov and shall be solely based upon your performance.

After successful completion of the initial contract period, a regular contract will be given.

Please review the positions listed below and apply in the form given in this notification. MyGov is hiring experienced professionals for a Graphic Designer.
