

Ministry of Electronics and Information Technology

Monthly Achievements for the month of May, 2024

The significant developments pertaining to Ministry of Electronics and Information Technology for the month of May, 2024 are as given below:

1. Electronics Manufacturing

(i) Development of Semiconductors and Display Manufacturing Ecosystem in India

Following, applications has been approved under the scheme:

- a) One application has been approved under the Assembly, Testing, Marking and Packaging (ATMP) scheme
- b) One application for providing fiscal support for setting up a Semiconductor Fab facility in India.
- c) Two applications for providing fiscal support for setting up an Outsourced Semiconductor Assembly and Test (OSAT) facility in India

Further, Eleven (11) applications have been approved under the Design Linked Incentive Scheme.

Boston Consulting Group (BCG) has been engaged for providing consultancy services for Modernization of Semi-Conductor Laboratory, Mohali. A meeting was held to deliberate modernization and augmentation plan on 24.04.2024. RFP is under formulation.

(ii) Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECS)

- As on May, 2024, 49 applications have been approved with proposed investment of ₹ 14,121 crore and committed incentive of ₹ 1,978 crore
- Disbursement status: As on May 2024, ₹ 485 crore has been disbursed to (12) applicants.
- Clarification Committee meeting was held on 27.05.2024 for eligibility of products under the scheme wherein 03 applications were recommended for issuance of acknowledgement.

(iii) Modified Special Incentives Package Scheme (M-SIPS)

- As on 31st May, 2024, 320 applications with proposed investment of ₹ 85,008 crore are under consideration. Out of these 320 applications, 318 applications with proposed investment of approximately ₹ 82,974 crores have been approved, 1 application with proposed investment of approximately ₹ 24

crores has been recommended by the Appraisal Committee for approval, 1 application with proposed investment of ₹ 2,009 crore is under appraisal.

- As on 31st May, 2024, incentives of ₹ 2,375.89 crores have been released to 140 applicants. No incentives have been disbursed in this month.

(iv) Electronics Manufacturing Clusters (EMC) 2.0 Scheme:

- EMC 2.0 Scheme was notified on 01.04.2020 to provide financial assistance for setting up of both EMC projects and Common Facility Centers (CFCs) across the country. The scheme was open for receipt of applications up to March, 2024 with disbursement period up to March, 2028.
- Under the scheme, 21 applications for setting up of EMC projects and 10 applications for setting up of Common Facility Centers (CFCs) admeasuring an area of 7,393 acres with proposed project cost of ₹ 10,135 crores including Central Financial assistance of ₹ 4,748 crores have been received.
- 6 applications with project cost of ₹ 2,323.81 crore including Central financial assistance of ₹ 1,111.37 crores have been accorded approval. Another 1 application with project cost of Rs. 569.66 crores including Central Financial assistance of Rs. 258.10 crores has been recommended for approval.
- An amount of ₹ 179.91 crore (including PMA charges) has been released towards execution of scheme & project therein.

2. Minimum Government, Maximum Governance

- (i). **Jeevan Pramaan:** A total of 3,14,337 Digital Life Certificates (DLCs) have been generated in the month of May 2024.
- (ii). **MyGov:** Till May 2024, MyGov has 1001 discussion themes and 1,584 tasks. Around 4.75 crore people have registered on the Platform.
- (iii). **Open Government Data Platform (OGD) India:** Till May 2024, more than 6.25 lakh resources have been contributed under 13,097 catalogs and 3,180 Visualizations and 2,34,674 Datasets APIs have been created. 1,02,03,378 datasets have been downloaded.
