Extension of time for inviting feedback on amendments to the Aadhaar Authentication for Good Governance Rules, 2020 to enable performance of Aadhaar authentication by entities other than Ministries and Departments of the Central Government and State Governments for prescribed purposes

</div>

Ministry of Electronics and Information Technology, on 20th April 2023, has published on its website draft amendments to the Aadhaar Authentication for Good Governance Rules, 2020 to enable performance of Aadhaar authentication by entities other than Ministries and Departments of the Central Government and State Governments for prescribed purposes, inviting feedback from the public by 5th May 2023. In response to requests received from stakeholders, Ministry has decided to extend the last date for receipt of comments on the said amendment till 20th May 2023.
