1	7	5.3	Would the MeitY provide data on domestic production of ITA-1 electronic goods?	MeitY would provide data support to the extent.
2	7	6 (a)	The EoI proposal should also contain the quotation for the study and we don't need to submit the quotation in a separate envelop. Is our understanding correct?	The quantitation for financial bid has to be quoted in separate sealed envelope.
3	8	7	As per the clause 7 "The selected Agency shall be entitled for 100% payment as per Government norms, against a bill submitted to MeitY after submission of the study report." Does this mean that the payment to the research agency would be made only after the completion of the study and there is no scope for advance payment?	Yes

Additional clarification: The time limit for the completing the study is 3 months from the date of acceptance of EoI.
