Sir,

Please refer to your online RTI request Regn. No. DITEC/R/T/24/00101 seeking information under the RTI Act, 2005.

In this regard, as far as the Digital Governance Division under MeitY is concerned the requisite information obtained from the concerned is as under:

"We would like to inform you that DigiLocker currently supports birth and death certificates for the state of Karnataka from the year 2019 onwards. Unfortunately, the provided birth certificate with a 4-digit registration number falls outside this range, making it incompatible for synchronization with DigiLocker. The DigiLocker team is actively working on onboarding legacy data, including certificates issued before 2019. We appreciate your patience and understanding in this matter."
