Subject: - Paste New invention (Web Tool) on all websites for more growth in INDIA and better Law and Justice, Communications, Information Technology, etc.

Respected Sir,

,

In connection with the subject matter that the regional public is living in the country. They have the right to access all information (Accessibility Read 1.8 in GIGW) *https://atoall.com/accessibility.asp#guidelines*. Apply this new easy web accessibility tool on your all websites

1. Get the tool from this link and details of how it works. 'https://atoall.com/'. Paste this code similar as well as FaceBook, Twitter icons.

2. Apply this tool on your websites. Send this information to your other departments for more benefits to the public. They will get maximum benefits from it for the interest of the public.

3. **If a regional or disabled user wants to open a website then he or she needs the help of other internet users for the first day. If this user wants this website for the next day also then the user needs this help again and again. With this tool, users will get a webpage with the help of another net user once only. After that, regional users can open websites very easily with this unique tool, by their own hand again and again. Now he or she can surf the same website more easily and without any help.**

4. This technology provides help to rural, Indian regional language people, disabled, Hindi, Chinese, Japanese, Russian, Arabic, etc.

6. **Nobody can understand this without an experiment because this is a unique tech and the way to use is different so, an experiment is important.**

1. First! you must do an experiment, please. It will take only 1 minute.

2. Open webaccessibilitytool.com See the icon of Atoall.com "A"
3. Open a new tab.
4. Press in the new tab ppooii.com or llkkjj.com. This is a unique tool. You will see webaccessibilitytool.com again.
5. This easy to use an option you can use for your all websites also. Get this tool from Atoall.com and paste it on your website then it will work.

7. You can use this tool on your all websites, Like

1. lawmin.gov.in
2. dot.gov.in
3. tec.gov.in
4. usof.gcv.in
5. cdot.in
6. ntiprit.gov.in
7. bsnl.co.in
8. mtnl.net.in
9. meity.gov.in
10. List of websites in Communications & Information Technology
   http://goidirectory.nic.in/sectors_categories.php?ct=ST023
11. List of websites in Law & Justice
   http://goidirectory.nic.in/sectors_categories.php?ct=ST025
12. List of all websites http://goidirectory.nic.in/sector_index.php

It will be helpful in Law and Justice, Communications, Information Technology etc. So, please implement it on maximum websites in India for more growth of India.

Thanks &Regards: -
