

TERMS AND CONDITIONS

1. The Ministry of Electronics and Information Technology may modify / add any rules and regulations for the benefit of the Global AI Expo. Such rules will be published on the website and will be binding on all the Exhibitors.
2. All drawings/designs showing stall construction have to be submitted in duplicate and approved by the Ministry of Electronics and Information Technology, who reserve the right to recommend changes/modification in the interest of the overall presentation of the Global AI Expo. Exhibitors have to ensure that the changes recommended are carried out.
3. All expenses related to the construction/dismantling of the stall will be borne by the respective exhibitor. The Ministry of Electronics and IT will not be responsible for any expenses related to the construction/dismantling of the stall.
4. The exhibitor will be liable for all the issues/responsibilities of the manpower deployed by them at their respective stall as per Government norms/Guidelines. Additionally, Upkeeping/O&M of the AI Expo stall, material etc., lies with the exhibitor.
5. If due to Force Majeure or other unavoidable circumstances, The Ministry of Electronics and IT is forced to cancel the Expo, the exhibitor will not be entitled to claim damages or compensation of any kind.
6. No stall will be left unmanned during the AI Expo. Exhibitor personnel must be present at least 60 minutes before the visiting hours of the Expo. Any activity which amounts to nuisance or noncompliance of any rules or guidelines of organisers, venue management or the rule of the land caused by the exhibitors will not be permitted.
7. The exhibitor should not cause any damage to the site/building. Any such damage will be made good at the expense of the exhibitor. The exhibitor will also indemnify the Ministry of Electronics and IT against any claims resulting from mishaps due to faulty equipment/faulty handling of material or non-observance of legal or safety requirements.
8. No commercial activities will be permitted during the AI Expo.
9. Exhibitors have to also provide the proper list of their services staff like stall fabricator, or any other manpower to Event Partner for the preparation of badges well in advance. The Organiser/Event Partner reserves the right to refuse admission to any person in the interest of the AI Expo or due to safety reasons.
10. Subletting of a stall to any other party is not permitted.

11. No alteration to the size or position of the stall is permitted without prior written approval of the Ministry of Electronics and Information Technology who reserves the right to change the layout/stand number or gangways.
12. Exhibits must not obstruct passages. Exhibitors should only utilize the inner parts of the stall allotted to them for display.
13. All Exhibitors are requested to cooperate and complete the stall work within two working days prior to December 11, 2023.
14. Only participants with genuine interest in the field of AI are encouraged to apply.
