

UI/UX Designer

MyGov is the citizen engagement platform of the Government of India. It is an Independent Business Division under Digital India Corporation, a Section 8 company under the Ministry of Electronics & Information Technology. Details about MyGov can be seen at <https://MyGov.in>.

MyGov is looking for a UI/UX Designer who can collaborate with cross-functional teams to understand project requirements and objectives.

An ideal candidate should have Proficiency in design and prototyping tools such as Sketch, Adobe XD or Figma.

You will be under probation for the first 3 months from the date of joining. It is not mandatory for MyGov to absorb you or offer you a regular contract after the completion of the probation period. The period of probation can be reduced or increased by MyGov and shall be solely based upon your performance.

After successful completion of the initial contract period, a regular contract will be given.

Please review the positions listed below and apply in the form given in this notification. MyGov is hiring experienced professionals for a UI/UX Designer.

Interested candidates may apply in this form.
